All items returned must be in their original packaging, with their original tag(s) attached and exact condition as sold and received. Items must not show any signs of damage, been worn and must be free from any odours (including cigarette smoke). **Items received in a non-saleable condition will be returned.**

**All underwear/snoods are non-returnable for health and hygiene reasons.**

If you would like to replace an unsuitable item(s) please visit the website and create a new order. Due to the fast moving nature of some of our products we do not recommend returning items for exchange. This ensures you receive your required garment(s) quickly and avoids the possibility of us selling out whilst your return is in transit.
