All items returned must be in their original packaging, with their original tag(s) attached and exact condition as sold and received. Items must not show any signs of damage, been worn and must be free from any odours (including cigarette smoke). Items received in a non-saleable condition will be returned.

All underwear/snoods are non-returnable for health and hygiene reasons.

If you would like to replace an unsuitable item(s) please visit the website and create a new order. Due to the fast moving nature of some of our products we do not recommend returning items for exchange. This ensures you receive your required garment(s) quickly and avoids the possibility of us selling out whilst your return is in transit.

30 DAY RETURN POLICY FROM RECEIPT OF ORDER.

Please fill in the form in FULL, including your name, order reference, SKU, reason for return and stock location. This is to ensure your refund is processed promptly.

Place item(s) and form inside parcel.

Return to address supplied below – Please note this is not a prepaid label. Customers are responsible for paying the return postage costs – Faulty or incorrect items received please see FAQ on our online returns page.

It is important to include this form as we cannot accept items without this enclosed form.
